MANY NAMES MENTIONED

Mortimer Refers to Questionable Liquor Deals.

CROSS-EXAMINED BY DEFENSE

Government's Star Witness in the Forbes-Thompson Trial Dubbed a "Man of Many Aliases and Professional Witness"—Mortimer Admits Sailing Under Assumed Names. Day's Proceedings.

Chicago, Dec. 9.—The defense in the Forbes-Thompson trial gave Elias H. Mortimer, star witness for the government, a grueling cross-examination.

Mortimer was characterized as a man of many aliases and a "professional" witness by James S. Easby-Smith, defense attorney. Mortimer admitted he had often been known under assumed names such as Harvey F. Schroeder and G. J. Allegre. He also admitted he had been "frequently used as a government witness."

His salary, the witness testified, was \$1 a day plus transportation. Mortimer's direct testimony included charges that Colonel Charles R. Forbes, former head of the veterans' bureau, and John W. Thompson, St. Louis contractor, entered into a plot to defraud the government out of \$1,000,000 in the erection of government hospitals. He was a party to the conspiracy, he said, and accepted and paid out money in furtherance of the alleged fraud.

The attorneys for the defense attempted on cross-examination to destroy the value of Mortimer's direct testimony by showing him "wholly untruthful." Mortimer admitted having used assumed names and lived at various places under aliases. He said he knew a Chicago woman named Schroeder and lived in an apartment with her under the name of Schroeder. At this point the court ordered all testimony concerning "Mrs. Schroeder" stricken from the record. Mortimer volunteered the information that his wife met Colonel Forbes at a New York hotel and registered there as "Mrs. J. C. Martin." Easby-Smith at first objected to this voluntary testimony, but when the court overruled him he followed another line of questioning.

"Do you make a practice of going about speaking in this manner about your wife?" he asked. "No," Mortimer replied. "You started it and I don't intend to keep the truth hidden."

It is Mortimer's contention that Colonel Forbes alienated his wife's affections. This, he maintains, was responsible for his turning against Forbes, his former bosom companion, and aiding the veterans' bureau affairs.

Mortimer was then questioned regarding his testimony in the trial of Congressman Langley of Kentucky. The witness admitted that in the Langley hearing he testified he was paid \$100,000 for obtaining whisky from a Pennsylvania distillery, but maintained he kept only one-third of that amount. He then was led to confess that he was a Washington agent for a wholesale drug firm.

"And did you sell your wares in Washington?" Easby-Smith asked. "Yes," Mortimer replied.

"What did you sell?" "Liquor permits," Mortimer replied. Mortimer mentioned so many names in questionable liquor deals and juggled so many figures that Judge Carpenter stroked his chin and shook his head as though almost hopelessly swamped. Once the court checked Mortimer firmly when he mentioned the name of Congressman Edmunds of Philadelphia. Mortimer replied brusquely: "Your honor, I can not explain my story unless I give all the names—Congressman Edmunds, Daugherty and all the others."

Patent Infringement Alleged.

Chicago, Dec. 9.—Judge J. H. Wilkerson ordered the William Wrigley company, chewing gum manufacturers, to pay \$1,471,101.37 to the L. P. Larson company, a competitor, for infringement on a Larson patent. The amount is supposed to represent profits the Wrigley firm made on the sale of doublemint chewing gum from 1914 to 1918. The court held the name constituted an infringement on Larson's patented name of "Wintermint."

Warehouse Robbed.

Chicago, Dec. 9.—Robbers overpowered a watchman and looted the Wakem & McLaughlin warehouse of \$50,000 worth of radio apparatus, according to police reports. It was the second such robbery at the warehouse within a few weeks.

COMMITTEE NAMED

To Make Survey of Ohio School Revenue Situation.

Columbus, Dec. 9.—Governor Donahy appointed seven representative educators and citizens of Ohio to act in conjunction with the state department of education in making a survey of the school revenue situation in Ohio and to recommend "such remedial legislation as may be deemed casable and necessary."

Those appointed on the committee are: E. A. Scott, attorney, Columbus, former prosecutor of Adams county; Darrell Joyce, superintendent of schools, Hamilton; Wilson Hawkins, superintendent of schools, Canton; Josse Hanley, prosecuting attorney, Columbiana county, Lisbon; Depew Read, member of the executive committee of the Ohio Farm Bureau federation, Marion; Mrs. H. W. Lawrence, granger and member of the Ohio Farm Bureau federation, Monroeville; W. F. Kirk, deputy grange master and ex-member of the general assembly, R. D., Port Clinton.

CASH AND BONDS SEIZED BY BANDITS

Securities Negotiable, Say Officials of Milwaukee Bank.

Milwaukee, Wis., Dec. 9.—Ten thousand dollars in cash and \$300,000 in securities were taken from the Northwestern Mutual bank by six armed bandits who made their escape in an automobile. Harry A. Dugman, cashier, was struck over the head and knocked unconscious with a pistol, when the robber leader called him from his position against the wall to advise where additional cash might be obtained. Ten persons were in the bank when the bandits entered. All were ordered to line up against the wall. While two of the bandits stood guard, three others made their way to the vault to sack up currency and securities. After they had collected the loot, the bandits rushed to a waiting automobile and escaped.

Cashier Dugman told the police that seven men, all unmasked, were in the robber band. Six entered the bank, covering the employees and inquiring where the cash could be found. The robbers took \$10,000 on the counter and also entered the vault, where the securities were obtained.

The Northwestern National is Milwaukee's youngest bank, having opened for business Sept. 20. The value of bonds taken is \$284,200, bank officials announced. All are negotiable and are classified as follows: Public utility, \$143,000; real estate and mortgage, \$34,500; railroad bonds, \$35,000; industrials, \$12,000; foreign bonds, \$39,000; municipal securities, \$20,700.

Shot by Hunter.

Bellaire, O., Dec. 9.—Miss Olive Spiker, 27, who was shot Nov. 18 while walking along a hedge on the farm of her aunt, Miss Jane Haverfield, at Cadiz, O., died of her wound. She is thought to have been the victim of a hunter's carelessness. A rifle bullet had entered her chest.

Sleuth Attacked.

Buffalo, N. Y., Dec. 9.—Edward F. Riley, federal narcotic agent, was attacked by six men and his badge taken away from him. Physicians said he was badly battered. The assailants escaped in a taxicab and a touring car.

EVANS OUSTED; PROBST NAMED

Shakeup Occurs in State Prohibition Department.

ACTION THE SEQUEL OF A RAID

Evans, Deputy State Prohibition Commissioner, Alleged to Have Followed the Policy of Raiding Private Homes—Now Declares He Will Say Things "That Will Put the Whole Office in an Uproar."

Columbus, Dec. 9.—State Prohibition Commissioner McDonald announced he had accepted the resignation of Frank S. Evans as deputy state prohibition commissioner, effective Dec. 15. S. A. Probst, district superintendent of the Anti-Saloon league at Dayton for several years, has been named to succeed Evans.

Governor Donahy and Commissioner McDonald have repeatedly shown their lack of satisfaction with Evans' methods of enforcing the dry laws. Evans has followed the policy of raiding private homes, while his superiors thought his attention should have been given to the smugglers, transporters, manufacturers and bootleggers.

Enforcement Officer O. B. Ropp also was removed. Evans' resignation is the sequel of the raiding of the apartment of a young woman, a state employee. A small quantity of liquor, which the girl explains had been taken by her from a boy friend on the day of the Michigan-Ohio State football game, was seized. A city official, who was with her at the time also was arrested.

The prisoners were not permitted to use a telephone to obtain bail until they reached the county jail.

Commissioner McDonald on learning of the arrests immediately took the matter up with Governor Donahy and announced that he would order the charges against the girl dropped. His conference with the governor resulted in his demand for the resignations of the officials.

Evans, reached at his home, said he knew nothing of the arrests until the officers who made them called him on the telephone. He said he advised them to permit the girl and the two men to take steps to effect their release on bonds. He said he had not assigned the men to the case. Evans added:

"I haven't any statement to make right now, but I'll have one ready in a day or so that will burn 'em up. They can't give me a dirty deal like this and get away with it. I'll say some things that will put their whole office in an uproar. I've been down there in state offices for 14 years, and know too much about the way the game is played for them to try anything like this. I know, and everybody else knows, that bootlegging has shifted from the soft drink places to the homes. McDonald doesn't know anything about it. All he does is sit around his office all day long. I've been out working and I know. That's all."

TO PROBE KOLDUP

South Bend Tragedy to Be Investigated by Grand Jury.

South Bend, Ind., Dec. 9.—The killing of two men and wounding of five others by bandits here Saturday night will be investigated by a special session of the grand jury. The shooting followed an unsuccessful attempt to rob a soft drink parlor.

County Prosecutor Coughlin stated that he would ask the grand jury to return an indictment for first degree murder against the bandit who was captured, a 22-year-old youth, who describes himself as Raymond Moseley of Boston, Mass. A 36-hour search by a posse failed to capture Moseley's companion. Moseley refuses to discuss the murderous escapade, other than to declare that he can furnish no information as to who his companion was. "I just picked him up," declared the bandit. "We had a few drinks. I don't know who he is."

The condition of two of the five men who were wounded is grave. The victims are Stanley Polniarzak, 55, and C. L. Camp.

Hit by Train.

Wilkesbarre, Pa., Dec. 9.—Two men lost their lives and a third was seriously hurt in an accident at Whitehaven, near here, when their automobile was struck by a Lehigh Valley mail train. The dead are Patrick McGuire, 45, Whitehaven, and James McGuire, 36, Newark, N. J., his cousin.

FRANCIS O. ORTIZ

New Minister to United States From Ecuador.

OHIO HAPPENINGS

Found Guilty of Kidnaping.

Columbus, Dec. 9.—Noah Bradford, colored, indicted by the grand jury for kidnaping, was found guilty of child stealing by a jury in criminal court. Bradford is alleged to have attempted to carry away Virginia Park, 11, daughter of Mr. and Mrs. William C. Park, June 25, by seizing her while she was sitting on the front porch of her home. He carried her about 100 feet under his arms when he was compelled to let her go when her pet terrier bit him on the ankle.

Watkins Missing.

Youngstown, O., Dec. 9.—E. A. Watkins, known here as a leader in klan circles, is missing. Friends say he had spoken of going to Arkansas for his health. Mr. Watkins appeared last week before the special grand jury in Warren, which investigated the klan and anti-klan riots at Niles Nov. 1 and which returned 104 secret indictments.

Wanted in Pittsburgh.

Newark, O., Dec. 9.—John Moore was arrested here on a warrant issued in Pittsburgh and signed by Josie Lautenslager there, charging him with larceny by fraud and artifice. It is alleged by the police that Moore defrauded Mrs. Lautenslager out of \$9,000 on an alleged oil property, of which he is the alleged owner.

Contractor Shot.

Lima, O., Dec. 9.—John W. Sawmiller, 52, contractor, was shot at his home by Jim Lewis, 71, colored teamster, in a quarrel. He is in a serious condition. Witnesses say Lewis fired at Sawmiller as he was running away, the bullet lodging in his back. Trouble commenced when Lewis drove across Sawmiller's yard.

Aged Couple Dead.

Marion, O., Dec. 9.—Mr. and Mrs. William K. Patterson, both 88, died at the home of their son, C. W. Patterson, near Richwood. Mrs. Patterson died from infirmities of age and Patterson died from shock caused by his wife's death, according to physicians.

Two Women Run Down.

Columbus, Dec. 9.—Miss Cora Anderson, 62, was struck and killed by a truck driven by Frank Marzetti when she attempted to cross the street. Elizabeth Keppeler, 50, was struck by an automobile and probably fatally injured. She was taken to a hospital.

Bride's Memory Restored.

Cleveland, Dec. 9.—A pet dog restored the lost memory of Iris Martese, 19, bride of nine months. The girl was found wandering in the streets. While riding in the police car she saw her pet collie and her memory was restored.

Dies From Exposure.

Toledo, Dec. 9.—E. R. Green, 45, negro, was found hanging by his hands to dock piling in the icy waters of Swan creek. He died while being rushed to a hospital. Police believe he was robbed and thrown into the creek.

Rise in the Ohio River.

Gallipolis, O., Dec. 9.—Heavy rains resulted in a general rise in the Ohio river here, the first in six months. All government dams in this section have been lowered and navigation has been fully resumed.

Youth Kills Self.

Youngstown, O., Dec. 9.—Wilbur Hunter, 22, killed himself here at his home. He fired two shots with a revolver, both taking effect in his right breast. The family found his body lying across his bed.

Three bandits held up the South Side branch store of Olson & Ebann company, jewelers, Chicago, and escaped with \$50,000 in set diamonds.

UNDERWOOD BILL TO BE AMENDED

Author Agrees to Changes Suggested by Weeks.

NOW ACCEPTABLE TO COOLIDGE

Senate Leaders of the Opinion That the Amended Measure Will Not Be Vetoed by the President—La Follette Group to Bring Ouster Action to the Attention of the Senate. Borah and Others to Speak.

Washington, Dec. 9.—Ousted from party meetings, the La Follette group in the senate intends to bring thuster action formally to the attention of the senate this week.

Senators Borah, Norris, Couzens and others in the Republican ranks have indicated that they wish to speak on the question and the decision of one of the ousted members to defend his position will give them the opportunity.

Senator Underwood offered a number of amendments to his Muscle Shoals bill, which were recommended by the war department. Underwood said no serious differences on the Muscle Shoals question existed between himself and the administration. He declared he was willing to agree to all of the amendments if it was deemed wise to incorporate them in the bill. He explained he had refrained from including some of the war department's suggested amendments in the original draft for fear they would meet with objection.

Senate leaders are of the opinion that if certain amendments are adopted the measure would be in no danger of a veto at the hands of President Coolidge. With objections covered in amendments, both Democrats and Republican senate leaders are hopeful of bringing the measure to an early vote.

Chairman Norris of the senate agricultural committee announced in the senate that if the Underwood bill is accepted as an amendment to the Norris bill, he will offer a modification of his measure as an amendment to the Underwood bill, which then would be before the chamber for passage. The Norris bill was reported to the senate at the last session, but Senator Underwood's proposal, given the status of an amendment to this measure, is in line for a prior vote. Norris explained that his new bill would provide for separate development of the fertilizer and power units at Muscle Shoals and would prevent the power utilization from becoming secondary to fertilizer.

KLAN ISSUE BLAMED

Split Widens in the Congregation of a Cincinnati Church.

Cincinnati, Dec. 9.—The Ku Klux Klan issue caused the split in the congregation of the Richmond Street Christian church, according to the pastor, Rev. James DeForest Murch. Twenty more members announced they would present requests to the board of trustees for their letters of withdrawal. Those who have signified their intention of quitting the church now total nearly 100 members, or more than one-half of the congregation. The withdrawing members asserted that as soon as plans could be completed they would organize the West End Christian church. Rev. O. W. Baylor, who resigned in October at the request of the board of trustees, was said to have been prominent in klan activities in the church, which has been the meeting place of the klan on many occasions within the past two years. Eight trustees were pitted against Rev. Baylor and four sided with him. The four trustees also will be given their letters, it was said.

Kills Children and Self.

Salt Lake City, Utah, Dec. 9.—Mrs. Rosemary C. Sparkman, wife of C. F. Sparkman, professor of Spanish at the University of Utah, killed her two children and then committed suicide. She apparently had chloroformed the children before turning on gas. Her husband, who was absent on a business trip, said Mrs. Sparkman suffered from nervous disorders and had threatened to kill herself.

Notre Dame's Plans.

South Bend, Ind., Dec. 9.—The Notre Dame football team will leave here Dec. 20 for Pasadena, Cal., where it will meet Stanford university in a New Year's day game. The first stop will be at New Orleans. Coach Rockne is still undecided as to the number of players he will take on the trip, but he is expected to have at least three full teams.

BRITAIN BALKS

Objects to the Proposed Protocol of Disarmament.

Rome, Dec. 9.—Austen Chamberlain, British foreign secretary, outlined before the league of nations council the objections of his government to the proposed protocol of disarmament and security, which was the product of the league assembly at Geneva in September. Upon the outcome of Chamberlain's conference with other members of the council depends the issue of whether the league of nations is to take the lead in bringing about a new world disarmament conference or whether initiative in this is to be left to the United States. The council members originally were summoned to prepare for a disarmament conference in June, 1925, and to put into effect the protocol signed by Ramsey MacDonald and Premier Herriot at Geneva. Since the call for the meeting, however, Great Britain has kicked at the terms of the protocol, which, in effect, would obligate the British navy to enforce the agreement which was to have been realized in June.

GIBBONS THE FAVORITE

Meets Kid Norfolk, Negro, in Fifteen Round Go Tonight.

New York, Dec. 9.—Tom Gibbons, light heavyweight, is a strong favorite in his bout here tonight with Kid Norfolk, Baltimore negro. Gibbons and Norfolk will enter the arena at the prescribed 175 pounds. The Baltimorean probably will be down to 174. Gibbons is 31 years of age, Norfolk 28. They vary perhaps half an inch in height. Each has scored several knockouts and many decisions over good opponents. Gibbons has never felt a knockout punch; Norfolk has been knocked out four times, once by Harry Wills in two rounds.

The Gibbons-Norfolk go will be the feature bout of the annual Christmas fund boxing carnival at Madison Square garden. Another interesting argument is seen in the matching of Johnny Wilson, former middleweight champion, and Tiger Flowers, a negro, who has been advancing steadily in the last two years. This bout is scheduled for 10 rounds.

Fatally Burned.

Springfield, O., Dec. 9.—Henry Clay may die as the result of burns sustained when an explosion occurred as he attempted to light a gas heating stove.

HERE AND THERE

J. Warren Kerrigan, moving picture actor, suffered serious cuts about the head and painful bruises when his automobile collided with another machine near Dixon, Ill.

Egbert Dyke, 34, garage worker, who killed Molly Fleming, school teacher, was sentenced at Grand Haven, Mich., to from seven and one-half to 15 years.

New England is the thirteenth section of the country, a report of the American Bankers' association shows.

Edward T. Clark, personal secretary to President Coolidge, has decided to retain his post.

Sick Poultry Can Be Cured Any Season of the Year.

Circleville, O., R. F. D. 6,
September 29, 1924.

Mrs. Edward H. Wardell, winner of Grand Sweep Stakes for best dozen eggs in show in Ohio State university, held February, 1924, says:

Mr. F. L. Fickardt, Dear Sir:—
I am only too glad to recommend Fickardt's Roup and Cholera Drops to any one interested in poultry, as the best preventative for contagious diseases I know of, on the market today. About three years ago cholera broke out in my flock of young chickens, which were then about six weeks old, and weighing about 1½ pounds. There were 175 birds in this flock. As soon as I discovered they were sick I began treating them according to instructions of a specialist. I only lost eleven out of 175, and checked the disease in about three days. At that time Fickardt's Roup and Cholera Drops was recommended to me as a wonderful medicine to be used as a preventive of contagious diseases. At that time I began using the Drops and have not had an epidemic since, altho I lose one or two now and then from common causes such as apoplexy, egg-bound, etc. I begin giving it to the chicks when they are quite young and from that time on they are never without it. At the present time I am shipping two cases of eggs a week and have been for the last six months, from my flock of 180 hens and I attribute this high egg production to the healthy condition of my flock. I always grade and candle my eggs and I have attained such a degree of perfection that I have less than three per cent of my eggs that do not run over the specified weight of 24 ounces to the dozen. Sincerely,

Mrs. Edward H. Wardell.

Fickardt's Roup and Cholera Drops is a remedy for Roup, Colds, sneezing, Canker, Limber neck, Chickenpox, White Diarrhoea, Indigestion and bowel complaints. Price 50 cents.

CHRISTMAS TREE

Committees Are Eagerly Engaged in Work for Celebration

The residents of Circleville will be indeed glad to know that the committee is busily at work with plans for the annual Christmas tree celebration. With the near approach of the Christmas season, everyone is naturally thinking of the community service which has been such a success in former years.

There is much inspiration in the growing practice of the holding a community service on Christmas eve, because this idea meets two very important needs in the lives of both individuals and the community generally. It tends to arouse and promote the spirit of fellowship and sociality and it also brings before us the spirit of Christmas—the spirit of generosity and good will. The spirit of fellowship and good will simply must find expression and this expression always leads to a stronger social consciousness without which any community would not be a fit place to live.

So, therefore, the idea should commend itself to you and should be worthy of your cooperation and support. The committee is working hard to put this over, lend them your encouragement by doing your bit when called upon.

In Memoriam

Editor Union-Herald:—In loving remembrance of Edward Ellsworth, son of John and Christina Wehe, who was born at Circleville September 26, 1865 and died at St. Luke's hospital, Chicago, December 1, 1924, after an operation for goiter, aged 59 years, two months and five days. His boyhood was spent at Darbyville. For several years he was in the employ of George Thompson, of Circleville and then for a longer period in the employ of one of the leading grocers of Columbus.

About thirty years ago he went to Chicago and passed the remaining years of his life there. He leaves to mourn his departure five brothers: Charles, of Grove City; George, of Hutchinson, Kansas; Wesley, of Farina, Illinois; Frank, of Toledo and Benjamin, of Westerville; five sisters, Mrs. Amelia Gulick, of Circleville; Mrs. Mary Winfough, of Five Points; Mrs. Callie Savely and Misses Anna and Emma Wehe of Columbus, besides many other relatives and friends.

He was a true Christian and his genial disposition gained him friends wherever he went. We feel that he has gone to that land where the inhabitants shall not say "I am sick" and where God shall wipe away all tears from our eyes.

The funeral services were conducted by the pastor of Central M. E. church at the home of Misses Anna and Emma Wehe, of Columbus, Friday morning, December 5. Interment in the Darbyville cemetery.

YOUTHFUL OFFENDERS.

John Lyons, aged 13, and Charles Williams, aged 9, of Columbus, were picked up by Officer Ethridge Justice early Sunday morning as they alighted from a Ford sedan on West Main street and taken to the police station and questioned. The car in which they were riding had been stolen and was the property of Clyde Kavanaugh, of Washington C. H.

The boys left Columbus Saturday afternoon in a car that they had "swiped" off the street and abandoned in Washington C. H. Later they took the Kavanaugh car, drove to Chillicothe and thence to this city. The boys, who are colored, said that they just wanted a ride. The lads were turned over to Washington C. H. officials.

AUCTION SALES

Articles of Good Merchandise Given Away by Aer-O-Plane Merchants.

Why not send the Weekly Union-Herald to that absent friend or relative as a Christmas gift?

The Weekly costs only \$1.50 for twelve months and would prove a source of great pleasure to the absent one thruout the whole year. Nothing else could be bought for that amount of money which would be appreciated so much as this weekly letter from the old home town and country.

This would also be a good time to renew your own subscription, as for each dollar paid on subscription on either the Daily or Weekly Union-Herald we give sixteen dollars in Aer-O-Plane bonds—16 to 1—William Jennings Bryan's ratio for the free and unlimited coinage of silver. For example; if you pay \$1, we give \$16 in bonds; for \$2, we give \$32; for \$3 we give \$48; for \$4 we give \$64, and so on. We do not give bonds for any payment less than one dollar.

These bonds are good at any of the auction sales given by the Aer-O-Plane merchants. The articles offered are all good merchandise, such as automobile tires, wool blankets, sugar meats, toilet articles, etc., etc., and you get them without the expenditure of any extra money.

Now is the time to renew your subscription to either the Daily or Weekly and receive Aer-O-Plane bonds and get in line for the next sale. Remember that for each dollar you pay on subscription to the Daily or Weekly and for each dollar you pay on your back on your back account for the Daily, we give \$16 in Aer-O-Plane bonds.

The merchants who give these bonds are:

Stevenson's Furniture Store. Barahill Dry Cleaning Co. Stocklen's—The White Grocery. Pickaway County Lumber Co. The Union-Herald—Daily & Weekly. Henn Bros., Meat Market. George H. Fickardt & Co., Druggists. Wallace Bakery, Cream Crum Bread. Circleville Tire & Repair Co. Wilder's Cash Store—Dry Goods, etc. R. L. Brehmer, Ford Sales & Service.

"MARCHETA"

AMUSEMENTS

Every once in a while a screen star whose work has reached a definite standard of artistry is presented in a feature, in which he outdoes all his former efforts. That is precisely what Rudolph Valentino does in "Monsieur Beaucaire," the photoplay which brings him back to the silver sheet after more than a two years absence. Time has but added to his irresistible fascination so that if the feminine hearts fluttered more violently last night at the Metropolitan theater where the picture was shown for the first time, there was a mighty good reason for it.

The role of the Duke de Chartres, champion duellist and lover extraordinary, is a particularly congenial one to the handsome Valentino and the part affords an even wider dramatic scope than he has previously played including "The Sheik" and "Blood and Sand."

The production has a thousand points of interest. It is one of the most extravagantly mounted historical romances, yet preserves its distinction by satisfying the eye in the matter of lavish settings and marvelous costumes without permitting them to over shadow the dramatic value of the story.

As notable a cast as was ever assembled in support of the star. Bebe Daniels, Lois Wilson, Lowell Sherman Doris Kenyon, all featured and others too numerous to mention appear in the all star cast.

The story by Booth Tarkington is too well known to need retelling. It is enough to say that Forrest Halsey, who adapted it to the screen, has preserved its essential appeal and flavor Sidney Olcott, who produced the picture version, has reason to feel proud of his efforts. "Monsieur Beaucaire" is the biggest feather in his cap, which already is adorned with "Little Old New York" and "The Humming Bird."

PUBLIC SALE.

John Anderson will hold a public sale of live stock and farm implements two miles north of Fox on Thursday, December 18, 1924. 9dec3w1.

Blank applications for municipal civil service examinations may be secured at the office of the secretary, J. A. McLaughlin. 5dec5.

CALDWELL & TAYLOR'S
ORIGINAL

BENZOL GAS

"The King of Motor Fuel"

It's a fact that Caldwell and Taylor's Benzol Gas gives much greater mileage than gasoline. Scientific tests prove it. Motorists quickly discover it because they find that the intervals between fillings are longer.

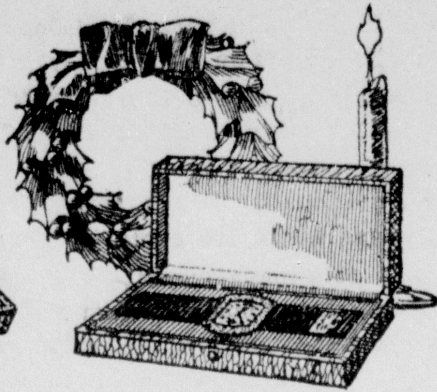

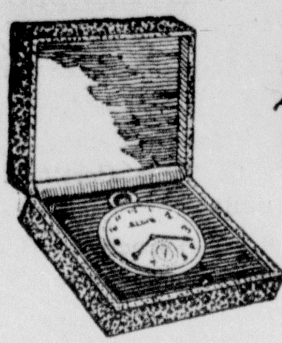

Caldwell and Taylor's Benzol Gas is truly the king of motor fuels. Quicker pickup than any gasoline produced, lower motor temperatures and freedom from motor knocks are characteristics of its performance.

Its popularity is increasing by leaps and bounds. Most motorists who try it will not return to the use of gasoline again.

The most convincing arguments for its use is in the satisfaction you will receive when you try it. Give Benzol a chance to prove its value in your motor.

CAKES

with that "fresh air" taste

Delicious—and so beautiful in their even shape and coloring. And little wonder! For they were baked with "fresh air"—in the wonderful oven of the Estate Gas Range. The fumes of burning gas never enter this oven—only fresh air, heated and sterilized by the exclusive Estate method, touches the food.

And this heated fresh air is distributed so uniformly throughout the oven that no matter in what part you place your baking, the same uniform results are certain. No "pot-watching", no shifting pans—the oven ends all this worry.

Decide today you'll be one of the many thousands of good cooks using the Estate. We'll gladly show you the range and all its features.

Winter! Winter! Winter!

It looks as if we are going to have a real old time Winter and it surely is getting a good, early start. Somehow we felt we were going to have some real winter this year, so at the beginning of a week before last we had a very large supply of all kinds of Winter Footwear, such as Felt Boots, German Socks, and Lace Overs, One, Four and Six Buckle Arctics, both cloth and all rubber, Sheep Skin Shoes, and Moccasins, Hip Boots, Storm King Boots, Short Boots and Light Weight Rubbers of all kinds, also High Lace Leather Boots for men and boys. But since the snow started to fall about two weeks ago, we have been very, very busy and at about the 3rd of December we had almost completely sold out our large stock of Winter Footwear. We placed large orders with several Rubber firms at once and now have another large supply in our store ready to serve the balance of our Patrons and Friends with the proper kind of Footwear for Winter that will keep their feet warm and dry, which we know will keep away many a cold (and also the Doctor.) BRIGHT'S DISEASE

Caused Death of Mrs. John Munn at Her Home at Hopetown.

Mrs. Hattie Louise, wife of John Munn, died at her home in Hopetown this morning at 2:30 o'clock. The deceased had been ill two years and her death was due to Bright's disease. She was 65 years of age. Mrs. Munn was born in Saltcreek township and was the daughter of Frank and Lydia Wolford Allen.

Her husband and one son, Addie L. Munn, survive. Of her immediate family three sisters and two brothers are living. They are Mrs. John G. Palm, of East High street, this city; Mrs. F. M. Petty, Mrs. Scott Heeter and Nelson Allen, of Jackson township and Frank Allen, of St. Louis, Missouri.

CHILDREN BAPTIZED.

Robert Baxter, son of Frank and Phyllis Lilly Kline; Dorothy Dunn, daughter of Ray P., and Sylvia McManamy Reid, and Margaret Ellen, daughter of Paul and Ruth Swingle Reid were baptized Sunday forenoon by Rev. E. K. Johnson at the Methodist church.

FORD FOR CHRISTMAS.

Christmas this year will bring automobiles to thousands of persons who never before even thought they would ever enjoy such a thing.

Of course, the giving of an automobile at Christmas time has been a practice for years. Families have bought new automobiles to replace old ones, the thoughtful husband has surprised his wife with a new car and indulgent yet practical fathers, to retain larger cars for family use, have played the role of Santa Claus and presented sons and daughters with Ford runabouts or coupes as personal cars, a practice which, by the way, is becoming quite popular.

But for those to whom the ownership of an automobile has heretofore seemed impossible, the Ford Weekly Purchase plan is now playing the role of Santa Claus. Thousands of persons who enrolled under the plan early in the year and made their weekly payments will this Christmas take delivery of their cars, and receive a Christmas gift that gives year 'round pleasure.

Approximately 150,000 persons already have secured their cars under the Ford Weekly Purchase Plan and this number will be materially increased before the close of the approaching Christmas season.

The convenient manner in which payments may be made under the plan and other attractive features connected with it, make it possible for most anyone to purchase a Ford car. Dealers thruout the country already have begun to report enrollments of persons who plan on a Ford for Christmas next year and it is expected that similar enrollments will show a large gain during the next month or so, for people of limited means everywhere are finding this an easy and practical way to purchase a car.
